We have been advised by Senator A. S. Mike Monrosey of your renewed interest is our organization and shall be glad to consider your application against our current openings.

Since the material we have on file for you has not been supplemented since 1955, we are at a disadvantage in exploring current opportunities for you. It would be quite helpful in this evaluation to have up-dated force from you and we are enclosing a set of those which we now use.

Your interest in our service is appreciated and we shall give your application prompt and careful attention.

Sincerely,

SIGNED
